The Norvell Slater Communications Awards were established in 1996. Mr. Slater was an outstanding radio broadcaster whose career spanned 60+ years. He was heard on the radio in the Dallas/Fort Worth area and was one the stars on the very popular Early Birds Radio program in the 1930s and 1940s. He was responsible for several WFAA-TV programs in the beginning years of television broadcasting. For more than 40 of those years, he was host of the program "Hymns We Love," which featured a wide repertoire of hymns and religious music.

Mr. Slater was a charter member of the Dallas Chapter of the Religious Public Relations Council (now known as the Religion Communicators Council). He was an able communicator of the values of faith through his love of music and for the Church and was able to do this in both secular and religious media.

The Norvell Slater Awards recognize individuals or organizations that follow his example of communicating faith values.
